DANCING WITH JOY

WHIS

Hey, fellow nosy parkers!
the latest goings

The latest series of Dance Moms, called **Dance Moms: Resurrection**, will hit our screens in a few weeks and we're mega-excited. **Abby Lee Miller** is back, despite battling cancer. "I fought hard to be here, and you have to be a fighter too," Abby tells her new students. We cannot wait to see what drama the new series holds!

The show must go on!

TOP GIRL

Ariana has taken over the top spot on **Instagram**! After hitting **146,312,013 followers**, Ariana has officially become the **most followed female ever**! More people are looking at what this singing sensation is posting than **any other woman** in the world. **Congratulations, Ari**, you're slaying it and totally deserve this awesome honour. She needs to hit over **155 million followers** to become the most followed person on the social media platform. We've got a feeling she's going to do it!

OMG!

WOW!

Totally Wizard

Daniel Radcliffe, who played Harry Potter, is certain he's **not going to be** the last Harry Potter on the big screen. He thinks the films will get **remade** at some point in the future or might even be turned into a television series. "I'd be fascinated to watch," he says. So would we! We can't get enough of anything to do with the boy wizard!

Omig!!

PER IT!

We've sniffed out all on, especially for you...

BAKING

LAZY NARWHAL CAKES

For treats that look too good to eat, just grab ready-made cupcakes and save your skills for the decoration!

Ask a grown-up for help before starting this recipe!

INGREDIENTS

Cupcake frosting covers 12 cupcakes

- ★ 150g softened unsalted butter
- ★ 300g icing sugar
- ★ 1 tsp vanilla extract
- ★ 1 to 2 tbsp milk
- ★ Blue food colouring

WHAT TO DO

1. Beat the butter in a bowl with an electric hand whisk or using a food mixer until it's light and fluffy.
2. Add half of the icing sugar and slowly beat it into the butter. Add the rest of the icing sugar, beating more vigorously until all the sugar is combined.
3. Add the vanilla extract and one tablespoon of milk, then beat until smooth, light and creamy. If the icing is too stiff, add a little more milk to loosen the mixture.
4. You can add the food colouring now. Add a tiny bit at a time, until the icing is the colour you want.
5. Fill a piping bag with the buttercream and, using a star nozzle, pipe the icing on to your cupcakes. Or use a palette knife to spread the buttercream over the top of the cakes.

NARWHAL TOPPERS

- ★ Carefully cut out the Narwhal toppers.
- ★ Use some sticky tape to attach each one to a cocktail stick.
- ★ Pop on top of your cake. SOOOO CUTE!

We can't help wishing we had a genie just like Aladdin. But as we don't, here's the next best thing - A wish box!

YOU WILL NEED

Scissors

Glue

White card

- ★ Cut out the opposite page and glue it on to card.
- ★ Carefully cut out your template along the solid lines.
- ★ Don't forget to cut out the wish slot.
- ★ Fold along the dashed lines.
- ★ Glue the end tab first, so the box is open at both ends.
- ★ Then glue the base tabs in place.
- ★ Finally, glue the lid shut.

This box allows you to make a wish. You can make as many wishes as you want. All you need is to really want it.

HOW IT WORKS

It's very simple. Find a peaceful place where you can concentrate freely on what you are doing. Write down your wish then pop it in the box.

1

BEFORE SENDING YOUR WISH, YOU SHOULD NEVER IMPOSE A TIME FRAME OR AN ULTIMATUM. WISHES ARE GRANTED AT AN APPROPRIATE TIME. USUALLY WHEN YOU LEAST EXPECT THEM!

2

Never wish any bad to anyone. This could turn against you.

3

You can wish for anything. As long as it makes you happy and allows you to share this happiness with people around you.

4

ALWAYS BE CAREFUL ABOUT WHAT YOU WISH FOR.

OMG!

LOVE

THAT'S SO EMBARRASSING!

Head over heels

My mum took us out to dinner and she parked down a really bumpy street. I had Heelys on and started going along the bumps. I was doing really well until a stone got stuck in one of the wheels. I fell straight on to my face.

HALLE, 11

Ooops!

FOOLISH FASHION

Me and my friends were at the shops when I saw the most amazing dress on a mannequin. I ran over and grabbed the fabric. That's when it turned around and asked me what I was doing! My new fave dress was on a real person. Ha-ha!

REMI, 9

Who are you calling a dummy?

Omg!

★ SOFIA CARSON ★

I was in 4th or 5th grade and was really talkative and chatting to all my friends, so my teacher gave me a pink slip. I was terrified to tell my mum – so I didn't. I'd never lied to her before. But when she picked me up she knew! And that's how I decided I was never lying to her again, because she knows everything. She has spies or something, because she knew it all.

CHOIR CRINGE

I was at choir after school and the teacher had been telling us about a song we were learning.

I thought she was going to say, "Stand up," so I stood up. Everyone started laughing, except the choir teacher and my BFF, Nakshi. I went bright red and sat back down again.

PHOEBE, 11

SKIPPING SHAME

I was chasing after my friend in the school playground one day, when I tripped over a skipping rope. I landed on my wrist and it bent forward. Ouch!

MEGS, 10

BURP BLUNDER

I went on a roller coaster with my friend on a school trip. We were going really fast and my friend was burping and trying not to be sick beside me. Everyone was looking at us, and as we got off the ride, she threw up everywhere.
